

PMI Chart Strategy

Purpose: Provides a means by which to analyse ideas, suggestions and events.

Description: Students record what they believe to be the pluses, minuses and interesting points on a particular aspect of a topic or experience, or a topic which has come to completion.

Process:

- Decide on the topic to be analysed.
- Draw a chart, or use the one below, with the headings **Plus**, **Minus** and **Interesting** (PMI) to record ideas relating to the topic that has been studied.
- This chart could be varied to Plus, Minus and Ideas

Topic:

+ Plus	-Minus	?Interesting / Improvements
